

THE CLIENT

Warner Industries Ltd., a recognized Finalist in the Top 50 Canadian Best Managed Company program, is a transportation power-house of Central Canada based in Regina, SK. The company is a School Transportation Company, a national leader amongst Freightliner Trucks and Thomas Built Buses dealerships, a Towing and Rescue company and runs a Rental and Leasing Fleet with over 300 employees.

Warner Industries has become a major success country-wide and is known as one of the top Freightliner dealers in Canada. Graham Warner, CEO, and his wife are cancer survivors, his wife Dionne is an 8 time cancer survivor and Graham overcame the same cancer that Canadian Hero Terry Fox had. The manner with how Graham and Dionne have dealt with these personal challenges, has helped inspire their employees to build a successful Canadian Transportation Company.

THE SUCCESS IN BUILDING A DREAM TEAM

Graham had a problem with turnover in a tight labour market. In 2014, Graham invested in the Predictive Index® as delivered by Certified Elite Partner Predictive Success. In four years the company's turnover dropped from **87% to 32%** and continues to improve to this day. Graham's new approach to sharing the Predictive Index® has been dramatic, **"Share the behavioural profiles! It has become our culture, we're speaking the language. The Predictive Index® results are kept on walls and beside telephones as a reminder of how each co-worker and direct report communicates most comfortably to ensure the most successful communication possible"**.

The Predictive Index® results are used not only for candidates during the hiring process, but also in team building of current employees. Graham uses this valuable information to determine individuals who will work well together and whose strengths will compliment each other, allowing for the creation of strong, effective teams. Warner Industries provides continuous training, mentoring and self-improvement to all employees.

The Predictive Index® is a foundation for this. The company culture at Warner Industries is all about 'Fun, Friendly People'. Graham Warner's investment in his people, has paid off with dramatic growth and market leadership as well as many provincial and national awards. Graham was recently inducted into Saskatchewan's Junior Achievement Business Hall of Fame, a respectable ranking in the Saskatchewan Top 100 Companies list, as well as becoming a finalist in Canada's 50 Best Managed Companies.
