

# DAVID LAHEY, MBA

President & CEO, Predictive Success Corporation  
Talent Optimization | Business Strategy | CEO Coaching

David's academic background includes an MBA graduate from the Smith School of Business at Queen's University, Graduate coursework at Harvard University and Graduate

Adult Education coursework at the University of Toronto. David has been specializing in predictive leadership development, talent acquisition, change management and productivity with analytics for over 25 years across a variety of industries. Under David's leadership, Predictive Success was awarded to three-time Profit 500 company status. His company was also named to The Globe and Mail's Fastest Top 400 Growing Companies List in 2019.

## CAREER HIGHLIGHTS

- David is an expert often tapped for insights from Canada's top business publications, including The Globe and Mail, CBC Radio, and The Financial Post and TSN. Other fun work has included work with predictive analytics with two NHL teams and pro bono leadership training for the Princess Margaret Hospital (UNH Health Network).
- Before founding Predictive Success Corporation, David was a Global Leader of Financial Services at Microsoft and led record-growth for international business units in The United States and Canada.
- David has trained over 3,000 leaders in The Predictive Index Software, is a guest lecturer at Queen's University, and is a best-selling author of "Predictive Success- Evidence Based Hiring" (Wiley 2009) and more recently "From Hire to Inspire" (ECW Press, Toronto 2020).

"Thank you for the great training session. This is a topic I wouldn't have necessarily been interested in however the real-world examples, continual engagement and practice exercises really brought this topic home. I look forward to trying this out."
