

# MARTIN FOSTER

Vice President & Consultant, Predictive Success Corporation  
Talent Optimization | Business Strategy | Revenue Growth

Martin Foster has spent 24 years of his career in the hospitality industry, specifically in bilingual (French/English) management and development. During this time, Martin honed his executive leadership skills (received a certificate from Harvard Law School Continuing Education), strategic human resource planning, execution, and sales performance. Today, Martin focuses on helping companies build high performance teams through scientific people data.

## CAREER HIGHLIGHTS

- Driven by passion and customer satisfaction, Martin has developed an extensive network of contacts in business and social communities.
- He is the President of the Junior Chamber of Commerce, board member of the Drummondville Voltigeurs, administrator at the Tourism & Major events in Drummondville and founder of the event SPIN8.
- Martin is a renowned speaker with several organizations such as Le Barreau du Québec, Chamber of Commerce, Groupement des chefs d'entreprises and University of Sherbrooke. Martin focuses on how to build a successful team through influencing and human capital management.
