

CURTIS LAHEY, JD, MBA

Managing Principal, Predictive Success Corporation
Business Strategy | Talent Optimization

Curtis brings over a decade of experience in the legal, private equity and M&A fields to his role as Managing Principal. Prior to joining Predictive Success, Curtis was a private equity attorney at leading international law firms in Toronto and New York City. He received his JD and MBA degrees from Queen's University and B.A. from Eckerd College, where he was a member of the NCAA varsity golf team. Curtis has served on the Governance Committee of Golf Canada and Board of Directors of the St. Michael's College School Alumni Association. Curtis is a member of the Law Society of Ontario and the Canadian Bar Association.

CAREER HIGHLIGHTS

- Curtis has acted for public and private companies, Canadian and U.S. private equity firms, investors, special committees, boards of directors and other transaction participants.
- He has significant experience with complex corporate and transactional matters, in particular relating to strategic acquisitions, divestitures, joint ventures, minority investments, financings, restructurings, as well as general corporate and commercial matters.
- Curtis is frequently sought out to counsel clients on a variety of complex strategic matters across a broad range of industries, including manufacturing, financial services, technology, entertainment, telecommunications, real estate and mining.
