## **Predictive Success Corporation Celebrates it's fifth year in a row as the #1 Global Partner in New Predictive Index Accounts**

TORONTO, Ontario— [Predictive Success Corporation](#), a renowned firm awarded by The Globe & Mail Top 400 and a three-time recipient of the Profit 500 award in Canada, is proud to announce its continued recognition for excellence by The Predictive Index, headquartered in Westwood, MA. Demonstrating its steadfast commitment to growth and social responsibility, Predictive Success has achieved remarkable milestones over the past year. Predictive Success work with many of Canada's best run companies and has clients in USA and Europe. Thank to our hundreds of loyal clients, the firm is the largest distributor of employee behavioral assessments now in Canada.

Having made a substantial positive impact on the community, Predictive Success proudly contributed over 300 hours of pro bono work to non-profit organizations. The Predictive Success Academy, our educational initiative, has been a resounding success, training over 10,000 leaders in Predictive Analytics and Management Consulting. This initiative has also extended its leadership skills to medical oncologists in five leading North American cancer hospitals through the ARTES Leadership Program.

For the fifth consecutive year, Predictive Success has been honored with the prestigious Glengarry Glen Ross Award. This award recognizes the acquisition of the most new accounts in the entire 700+ partner network globally in a single year, surpassing all other software partners. Adding to this achievement, Predictive Success Corporation secured the Most Valuable Player Award for the second consecutive year, highlighting the highest total billings within the global Predictive Index Network. Predictive Success is the largest distributor partner of the [Predictive Index](#) software globally once again in 2023.

Demonstrating an unwavering commitment to social impact, Predictive Success has contributed over \$800,000CAD to Canadian charities through The Predictive Success Foundation. The foundation's mission focuses on supporting communities by funding health, research, and education initiatives through direct source donations. Notable contributions include a steadfast \$150,000CAD commitment to the [Princess Margaret Cancer Centre](#), child sponsorships through [Chalice](#), and ongoing sponsorships for activities supporting Heart & Stroke, Walk for Good, and Jack.org. In January 2023, Predictive Success received an award from [Ronald McDonald House Charities](#), acknowledging a decade of support with a total donation exceeding \$60,000CAD.

Predictive Success Corporation, headquartered in Whitby, Ontario in the Success Center, expresses heartfelt gratitude to its dedicated team, supportive business partners, valued clients, and The Predictive Index headquarters for their unique contributions to our success in the past year. As we move forward, Predictive Success looks forward to a promising and prosperous 2024 for all involved.

*"As our only Elite partner in Canada, Predictive Success has helped thousands of businesses across North America achieve their goals by applying The Predictive Index within the framework of talent optimization. We're thrilled to recognize their accomplishments in 2023 by presenting them with our top honors for new client growth and our Most Valuable Player award, which celebrates Predictive Success as our largest partner worldwide."*
